

Paper reading is to understand each component of the structure of the article

- **The structure of writing a report/paper**
 - **What did you do?**
 - **Why did you do it? it may include background or introduction in a long report.**
 - **How did you do it?**
 - **Theory**
 - **Experimental setup**
 - **What's the result?**
 - **Discussion. You may explain or discuss anything when you conducted the project.**
 - **Future works (if necessary).**
 - **conclusion.**
